Outdoor Fabric

Maze Rattan have worked diligently over the last 5 years developing outdoor fabric furniture, made to last. The fabric fibres are solution-dyed acrylic, allowing the colour to permeate to the very core of the fabric fibres; thereby creating a rich, fade resistant colour that stand the test of time.

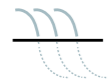

Even in the harshest climates, our outdoor fabric range provides years of care free service with fabric that truly stands the test of time. Truly guaranteed against the elements, our furniture can be left outside all year round and can be simply cleaned with warm soapy water.

Quick Dry Foam

We use an advanced high-performance foam that is designed specifically for outdoor cushions and furniture. The porous open-cell structure allows water to drain rapidly and fresh air to circulate freely. After a heavy downpour and in good weather conditions, the furniture is ready to use within the hour.

Care Instructions

Cleaning our outdoor fabric range is a breeze thanks to the special fabrics and maintenance free aluminium frames. For minor spills simply use warm water and a sponge to clean the surface of the furniture. For more stubborn stains, or stains that have been left to dry, consider using a mild soap or fabric cleaner in a bucket of warm water. We recommend using a soft bristle brush to work the dirt loose.
